

★ **Westmont Homes Announces Being Selected to Build Green Builder® VISION House Series – Orlando '08**

**Curt Roesse** and **Jim Rahman**, owners of Westmont Homes, are proud to announce that they have been selected by Green Builder Media to build the Green Builder® VISION House Series—Orlando '08, which will be showcased during the 2008 International Home Builders' Show, to be held in Orlando.

VISION House Orlando '08 will be a high-end architect-designed custom home, demonstrating that green can be not only glamorous, but also sustainable by considering durability and life safety in an active hurricane zone. The home is situated on Lake Apopka.

Coinciding with this effort, Jim Rahman, has been appointed as the chairman of the newly formed Green Builder Committee for the HBA of Lake County.
